TBD: To be determined

## Double the fun of House League!

If you like playing **House League** once in a week, you'll love it doubly this week, as we play both a regular and a rain-out makeup session.

House League will be on court **both Tuesday (May 22) and Thursday (May 24)**, starting at 7 p.m.

After two matches to date, it's a very close race. Here's how our teams stack up so far:

Don't Murray, Be Happy	7 points
The Empty Nestors	6 points
We Can't Be Serious	6 points
Fedal - King of the Court	6 points
Bjorn to Win	6 points
Simply Smashing	5 points

For more detailed scoring, please see the chart on the [front page](#) of our website. And for more information on House League, please [click here](#) on our website.

## Social Tennis is back this Saturday

Another **Social Tennis evening** will take place this coming **Saturday (May 26)**, from 6 p.m. to 9 p.m.

As always, those who registered for Social Tennis will have first rights to play. If there are open spots, we will send out an e-mail mid-week for others to sign up.

After on-court play, we will move off court for some socializing. We'll let you know this week's venue.

Everything you want or need to know about Social Tennis, including coming dates to mark on your calendar, [can be found here](#).

## Join us for a Sunday morn fun round robin!

We'll be holding this month's **Fun Round Robin on Sunday morning (May 27) from 10 a.m. to noon.**

As if the promise of tennis wasn't enough, coffee and doughnuts will also be served!

Come on out and sign up: Round robins are a great way to meet other players at our club, and get on court with other members at different levels.

## Come cheer on our A team from the hill!

Our ICTA **A team will be playing at home this Thursday night (May 24).**

They would enjoy hearing your cheers from the hill!

In fact, cheer on this team as well as the House League players on court the same evening!

Throughout the season, the Mixed Majors and Mixed B teams will play on Tuesdays, starting at 7 p.m., the Mixed A team will play on Thursdays beginning at 7 p.m., and the daytime ladies team

will be on court on Wednesday mornings, starting at 10 a.m.

## Check out our summer camps for juniors!

Registration for **summer camps for juniors at Davisville** is now open!

Our pros offer great summer time instruction for

children to play the sport we love, stay active and have loads of fun!

Camps run each day throughout the summer (except for holidays), The young players are put into groups based on age and abilities. They spend time both on court playing tennis and off court doing other games and activities.

There are several sessions offered over the summer. For more information on our camps for kids, including dates, times and costs, as well as answers to frequently asked questions, contact information and registration, [please click here](#).

## May singles ladders extended into June

If you're still trying to find time to complete your **singles ladder matches** with opponents, here's a bit of breathing space.

**We have extended our May ladders to June 17.** Still, spots are filling up fast so please make arrangements with the other players in your box as soon as possible.

## More group lessons added to the calendar

A **new spring session of group lessons** has been added to the calendar, offering coaching from our head pro, Brian, and assistant pro, Rob, at different times to players at all levels.

This round of lessons will be held between May 28 and June 16.

To see what's on offer and actually book on-line, [please click here](#), scroll down to "Spring Session # 2 Dates" and click to see the various levels and times that are being offered.

You can then click into the DTC Booking Website to actually reserve your lessons.

These lessons sell out quickly so you'd be wise to waste no time in seeing what's on offer.

More sessions will be added as the season progresses. Keep an eye on the site

to see when on-line bookings for coming sessions go live!

## Move those feet for a proper recovery

*Here's our head pro, Brian Ahlberg,  
with his sage advice:*

When engaged in a rally, your opponent  
will often run you around the court in the

hopes of forcing you to make an error.

So, after your shot, it is very important to ensure you recover to a neutral position just behind the baseline. I often see many members standing inside the court waiting to receive balls. This is very dangerous: If your opponent hits a deep ball with any sort of pace on it, you are likely to lose the point immediately with an error.

So get those feet moving, and recover!
